getting the job done

PROJECT MANAGEMENT

DEVELOP PROJECT MANAGERS INTO PROJECT LEADERS

Project management affects every aspect of a company's performance and profitability. The project leader who knows how to get the job done on time and on budget is an asset to any organization.

Top organizations choose Becker Professional Education for project management training because our interactive, hands-on approach prepares participants to apply enhanced skills and knowledge to projects.

- Instructor-led project management programs are tailored to your company's business focus and specific challenges.
- In-depth offerings range from introductory programs for new project managers to advanced training for experienced staff.

TARGETED TRAINING SOLUTIONS

PMP® EXAM PREP PROGRAM

Designed for project management personnel preparing to take the Project Management Professional (PMP) exam. Provides a comprehensive review of the nine Project Management Body of Knowledge (PMBOK® Guide) areas covered in the PMI® PMP certification exam.

The course offers a highly interactive, experiential learning environment and is recommended for students with a strong background in project management practice and techniques obtained either through experience or prior education.

LENGTH: **4 days/7 hrs. per day** | CONTACT HOURS: **35**

PROJECT MANAGEMENT PROFESSIONAL PROGRAM

Tailored to project management personnel or newly formed project management teams requiring in-depth training in all areas of the PMBOK® Guide leading to PMP certification. This course provides hands-on experience in managing complex projects and prepares participants for the PMP certification exam.

This course is a blend of expert instruction with up-to-date participatory learning techniques and includes comprehensive coverage of the nine Project Management Body of Knowledge (PMBOK® Guide) areas tested in the PMP certification exam.

LENGTH: **20 half-day sessions over 20 weeks and 3 PMP Exam Prep Program days**
PDU HOURS: **120**

PROJECT MANAGEMENT—THE NINE ELEMENTS TO SUCCESS

Targeted at project teams and project management personnel requiring training in project management fundamentals. This course provides intensive and highly interactive instruction in fundamental concepts and techniques of project management. The project life cycle, from inception to project planning, implementation, monitoring and control, to completion is covered. Concepts, tools and techniques presented in the course enable participants to manage a project.

LENGTH: **3 or 4 days/7 hrs. per day**
PDU HOURS: **21 (3 days) or 28 (4 days)**

EXECUTIVE SEMINAR IN PROJECT MANAGEMENT

Specially designed for senior managers who supervise project managers or executives implementing or redesigning project management processes in their organizations. Provides the knowledge, tools and techniques to effectively guide, direct, support and evaluate project managers reporting to them and builds a solid foundation for implementing a formal project management system.

LENGTH: **1 day/6 hrs.** | PDU HOURS: **6**

SURROUND YOURSELF WITH SUCCESS. WE DO.

Affiliating with the right people can create amazing opportunities. The same is true in the academic world—Becker Professional Education is a division of DeVry, Inc., an educational pioneer for more than 75 years. DeVry's legacy includes DeVry University and its Keller Graduate School of Management which are both longstanding leaders in project management education.

Supporting this level of commitment to educational excellence, the Project Management Institute's (PMI) Global Accreditation Center has recently awarded international accreditation to four Keller graduate and two DeVry University undergraduate project management degree programs. This accreditation is your assurance that you are partnering with one of the highest-quality providers of project management educational programs.

ADD MORE POWER TO YOUR CAREER WITH EDUCATION THAT WORKS FOR YOU.

All Becker courses can be tailored to fit your experience and lifestyle. We can bring programs to your organization, or with our DeVry University and Keller Graduate School of Management affiliations we are able to offer onsite classes at a national network of 90+ locations—days and weekends.

"The PMI Chicagoland chapter has been contracting with Becker Professional Education to provide PMP certification training for the past eight years. The pass rate of participants in this training has been quite high. As a Registered Education Provider (REP) with PMI, Becker has provided much support to the chapter in preparing and implementing these classes."
