

## Online Format

If your schedule is constantly changing, you need a CPA review course that can change with it. Our Online format gives you the freedom to study at a self-determined pace, at your convenience, anytime, and anywhere. If you have the discipline to study on your own, this is the right format for you.

### Dynamic Multimedia Experience

Our Online class provides the same comprehensive instruction as our other study formats, in a totally portable, multimedia-based format. With engaging lectures, multiple choice homework, simulations, and practice exams, you get everything you need to help you succeed.

### Online classroom instruction might be best for you if you:

- Like to study at your own pace, on your own, and can stick to your own study schedule.
- Work best without deadlines.
- Can't attend classes regularly.
- Travel often for work.

## Live Online Format

If you prefer to learn in the comfort of your home but thrive on a structured schedule with real-time access to engaging and knowledgeable instructors, our NEW Live Online format is for you. These live webinar courses are designed to give you the guidance of live Becker instruction wherever you prefer to study.

### Dynamic Multimedia Experience

Our Live Online courses provide the same comprehensive materials and highly rated instruction as our other study formats. Includes real-time access for you to ask questions, get study tips and instructor support. With practice tools including self-study lectures, test banks and mock exams, you get everything you need to help you succeed.

### Live Online instruction might be best for you if you:

- Can't attend in-person classes
- Benefit from live instruction, feedback and discussion
- Like a structured program of lectures, homework and deadlines

## Live Format

If you thrive on a structured schedule and engaging, knowledgeable instructors, our live format is for you. Becker is the only CPA Exam Review provider offering nearly 200 classrooms worldwide.

### Flexible Study Options

Our Live format also gives you the flexibility to review anywhere, anytime, using our complete Self-Study materials at no additional charge. You might want to choose our Live format if you:

- Like a structured program of lectures, homework, and deadlines

- Benefit from in-class feedback and discussion.
- Live near a class location, and can attend classes regularly there.
- Don't travel often for work.
